MAROON ENVIRO STRIPPING PAD

NEW!

Environmentally Conscious Non-Woven Stripping Pads

Just use water and let the pads do the work! These 1/4" pads are designed with a flexible web allowing more pad to surface contact. The high quality abrasive grain provides a uniform cut to remove old finish with minimal work. This fiber and abrasive combination, when used with only water, creates the perfect green solution to stripping applications. Do your part by going green, saving the environment and money!

Add up the savings!

- No chemical purchases
- Less equipment contamination
- No disposal of chemical waste
- Reduction of labor and storage costs

FEATURES

- Resilient construction
- Premium A/O grain

BENEFITS

- Uniform web for consistent strip pattern
- Lasts longer cuts faster
